

## **Kuala Lumpur Sentral (KL Sentral)**

**Kuala Lumpur Sentral (KL Sentral)** is an exclusive urban centre built around Malaysia's largest transportation hub, offering global connectivity, excellent investment opportunities, business convenience and an international lifestyle.

The overall development of **Kuala Lumpur Sentral** began with the masterplan of a self-sustained urban concept surrounding the RM1.1 billion world-class transit hub, **KL Sentral Station**, the winner of the FIABCI ? Malaysia Award of Distinction 2002 and finalist for FIABCI International Prix d'Excellence 2003. **KL Sentral Station** is the hub for the almost entire **Kuala Lumpur public transport network**, and its transportation infrastructure supports six (6) rail networks demonstrating its excellent global connectivity and access within an integrated and self-contained live, work and play environment: ?

1. the KLIA Express Rail Link,
2. KLIA Transit,
3. RAPID KL (Putra),
4. KTM Commuter Train,
5. KTM Inter-city Train &
6. KL Monorail Services,

Awarded with the privileged **MSC Malaysia Cybercentre status** in year February 2006, **Kuala Lumpur Sentral** allows ICT businesses and MSC-status companies to house their office here, thus enhancing its image as a model Business Hub ?Without Boundaries.? and since became one of the sought after business area in Kuala Lumpur area.

Kuala Lumpur Sentral is a world-class city comprising **KL Sentral Station, corporate office towers** and business suites, 5-star international hotels (KL Hilton & Le Meridian Hotel), luxury condominiums and a shopping mall.
